NARBERTH COMMUNITY LIBRARY

VOL. 28 — No. 25 NARBERTH, PA., THURSDAY, SEPTEMBER 3, 1942 PRICE FIVE CENTS

Most Valuable Player

JOEY BURNS

Narberth third baseman, who was named most valuable player in the Main Line Baseball League for 1942 in a poll of managers, league officials, umpires and sports writers. He won by a wide margin over Allie Gwynn, Manoa catcher, and Ollie Shuckman, Gladwyne outfielder. Burns won the league batting title with a .391 average.

Defense Service Heads in Narberth

List Prepared by Challenger Prior to Resignation

Prior to his resignation as chairman of the Narberth Defense Council Frances S. Challenger released an organization chart which shows the heads of defense services as of August 1.

It lists the following:

Vice-chairman of the Defense Council — H. G. Sparks.

Director commander — Burgess Robert L. Miller.

Messengers — Clark E. Miller and co-chief, Mrs. C. S. Shinn.

Auxiliary firemen — Fire Chief A. H. Nulty.

Auxiliary police — Borough Police Chief Charles F. Girvin.

Air wardens — Joseph L. Kelly and deputy chief James A. McCaffrey.

Emergency medical — Dr. E. R. Disbrow, Jr.

Public works — George B. Suplee.

Utilities — F. McEnanem.

Decontamination — R. C. Rollins.

Vital services — E. H. Davis.

Emergency food and housing — Mrs. H. F. Darnes.

Certificates for Local Physicians

To Be Presented at Annual Meeting of Medical Group

Two Main Line physicians will receive testimonial certificates at the annual meeting of the second councillor district of the Medical Society of Pennsylvania at the Tredyffrin Golf and Country Club on September 9.

They are Dr. Thomas F. Branson, Rosemont, and Dr. Joseph H. Cloud, Ardmore. In Delaware County, Dr. Philip Jaisohn, Media, is also receiving the certificate which goes to physicians who have practiced medicine in the district for more than 50 years.

Subject of the meeting will be the part that the medical profession is taking in wartime. Main speaker will Dr. Orlen J. Johnson, Bureau of Industrial Medicine of the American Medical Association.

Dr. Joseph Scattergood, Jr., West Chester, will preside.

The Woman's Auxiliaries of the second councilor district will meet at the same time.

By winning a 2-0 decision from Good Counsel at Preston Sunday the St. Margaret's nine, of Narberth, earned the right to meet St. Denis in the final for the Montdel League championship. The borough nine plays the first series game Sunday at Ardmore, will return here Labor Day morning for the second game. The squad shown, standing, left to right: Manager Ted Finn, Bob Tabor, Henry Cantagalli, Jim Barnett, Jim Brennan, Frank Gallagher and Father Thomas P. O'Connor; kneeling: Charles Becker, Charles Burns, Ed Dixon, Albie Becker, and Mascot Freddie Becker.

St. Margarets and St. Dennis Move Into Final Round of Montdel League Playoff

Mopping up on the second games of their preliminary playoff series the St. Margarets nine, of Narberth, and the St. Denis club, of Oakmont, moved into the final round of the Montdel League championships. The two teams will oppose each other in a best-out-of-three series which gets under way at Ardmore Sunday, and will continue Labor Day morning at Narberth. Should a third game be necessary a coin will be tossed to decide the field to be used for the deciding game.

The two teams clinched the right to appear in the finals by winning on Sunday to wind up their preliminary series. St. Margarets had itself a wild afternoon at Preston before nosing out Good Counsel, of Bryn Mawr by a 4-2 count to eliminate Mickey Gavin's team from the playoffs. The same day at Ardmore St. Denis was disposing of its Annunciation rival, from Brookline, by a surprising score of 10-3.

As a result of these victories the two finalists seem evenly matched for the final playoffs which will decide the team to take the championship which was won last season by St. Laurence, of Highland Park. St. Denis seems to be hitting its stride after playing erratic ball during the regular season, has three excellent pitchers in the southpaw Jack McMonigle, and the two right-handers—Ira Harnish and Frecks Turner.

However St. Margarets, leader of the circuit for the entire season, has just as good pitchers in Albie Becker, the left-handed youngster who led the league pitchers, and Frank Coradetti, who played first base and the outfield most of the season. There also is a possibility Phil Curran, who is in the army, may be home on a furlough for one of the games.

In all other departments the two teams appear to be more or less even. St. Denis will be hard hit by the loss of Jimmy Dykes, first sacker who has gone into the Navy Air Corps, but still has plenty of fielding and batting punch. St. Margarets has one of the strongest batting clubs in the league, while its defense repeatedly turned back Good Counsel in the preliminary series games.

This series with Good Counsel goes down on the books as one of the finest the league has had. Following right on the heels of the 7-6 slugfest the teams had in the first game the two rivals locked in a pitching duel which might be go-

(Continued on Page Four)

Resigns As Head Of Defense Council

Challenger Moving to Cynwyd; Given Vote Of Thanks

Because he is moving from the Borough into Lower Merion Township Francis S. Challenger has resigned as chairman of the Narberth Defense Council.

He was one of the few to recognize the seriousness of the international situation and headed the Narberth Defense Council when it was first organized in April, 1941. It was one of the first councils to be formed in the State and followed by only a month the law passed by the State Legislature authorizing such councils.

Challenger, who has had interior decorating business in Cynwyd for years, will move to 152 Montgomery av., Cynwyd, near his place of business.

"I believe it is the first duty of every defense official to set an example in their private and business lives which will uphold the principles of defense and preparedness which they advocate," he said.

Challenger said that moving near his place of business would mean a great saving in his business of tires, gas and oil.

His letter of resignation was read at a meeting of the Narberth Defense Council Friday night by Burgess Richard L. Miller, the man to whom it was sent. Members of the Council voiced regrets that he was going and gave him a vote of thanks on behalf of the Council and the people at large.

His letter of resignation read:

"As I am moving my residence from the Borough very shortly I hereby tender my resignation as chairman and as a member of the Council of Defense of the Borough of Narberth, effective September 1, 1942."

Township Buys a $100,000 War Bond

Money Will Be Taken From Sinking Fund; Swells County To[tal]

Confident the August quota of $1,607,800 in War Bonds for Montgomery County was equaled or surpassed, County Chairman Rodney K. Merrick today announced the goal for September set for this County by the government. The quota for next month is $1,525,200.

Best news of the week to reach the War Bond headquarters in the Norristown-Penn Trust Company was an announcement that Cheltenham Township has purchased a $100,000 Bond from the sinking fund of the Township.

"This is a wonderful patriotic gesture," Mr. Merrick stated when he was informed of the action. "I hope other municipalities will follow the example of Cheltenham, Norristown and other places in the County which have invested idle money to help win the war."

It was also revealed at the headquarters that to date thirty-four "Minute Man" flags have been issued to Montgomery County industries and business houses taking part in the payroll saving deduction plan for the purchase of War Bonds and Stamps by employes. In order to secure the flag, ninety percent or more of the employes must be purchasing Bonds or Stamps with part of the weekly salary.

During September theatres throughout the United States will put on a special drive for War Bonds and Stamps. Theaters throughout Montgomery County are planning special programs, outstanding speakers and other features to stimulate the one-month campaign.

With the opening of public, parochial and private schools not far away, a large scale program of student-teacher participation in the War Bond campaign is being worked out in the county headquarters through the cooperation of A. M Kulp, superintendent of schools in Montgomery County.

High Schools' Lengthen Periods; Health Training To Be Intensified

Curricula Changes Will Lessen Rigid Requirements and Seek To Bring Out Ability Of Student; Vocational Program Enlarged

Many changes have been made in Lower Merion's Junior and Senior High Schools' curricula. The former rigid requirements have been lessened and replaced by a more elastic and functional program. Students will be guided into fields where they have ability and interest.

In the junior high schools the 7th and 8th grade programs will be the same. The 9th grade curriculum has been changed to fit in with the new senior high school program. The original purpose of the junior high school was to fill the gap for pupils who were not planning to go to high school. Since that need no longer exist, the curriculum has been changed to meet present day needs.

The commercial course has been eliminated completely. Ninth grade pupils will be required to take five courses, English, physical education, guidance, home arts for the girls and shop for the boys. There will be a choice in the election of either algebra or review mathematics for everyone. Two courses will be elected from the following group: ancient history, French, German, Latin, Science, and social problems.

The greatest change has been made in the election of two minor subjects. Art, which was formerly open to girls only, is now open to the boys. Mechanical drawing may be elected by the girls as well as the boys. Typewriting is now open to everyone. In the Bala Cynwyd Junior High School 85% of the students have elected typewriting this year. Vocal music which was re-

Father Stanford On Education Committee

Rev. Edward V. Stanford, O.S.A., president of Villanova College, has been named a member of a newly organized Committee on Relationships of Higher Education and the Federal Government appointed by the American Council on Education. This Committee will cooperate with various agencies of the Federal Government, particularly the Joint Army Navy Personnel Board and the War Manpower Commission.

New Assignment for Lt. R. D. Case

Lieutenant Richard D. Case, 105 Grayling av., Narberth, has been assigned to the office of the Staff Judge Advocate at Tampa it was learned here this week.

A University of Pennsylvania graduate, Lt. Case was active in Mask and Wig productions and following his graduation practiced law in Philadelphia. He was president of the Narberth Young Republican Club.

Wright Resigns as Defense Chairman

Friction Existed with Members of County Council

Friction between certain members of the Montgomery County Defense Council and Guier S. Wright, Roberts rd., Bryn Mawr, led to his resignation as the Council's director general.

From an official source in Norristown yesterday it was learned that several members of the Council wanted to take over "complete administrative jurisdiction" to which Wright objected.

At present S. Russell Matz, Hatfield, is in charge of the County's defense machinery. Matz was appointed acting chairman of the Council when Walter A. Knerr, Norristown, resigned as chairman. Matz for the present has taken over Wright's desk in the Grand Jury Room of the Court House where the defense headquarters is located. It is not known whether a new director general will be appointed or whether Matz will assume Wright's administrative duties temporarily.

Wright is credited with giving the County a "smooth working and high type Civilian Defense machinery which is rated one of the best in the State. Wright is one of the few who was working on the problems of home defense long before Pearl Harbor and, personally, had accumulated a wide knowledge on the subject.

When questioned about the resignation Wright said his reasons were "personal" and he had no comment to add. Wright's services were virtually voluntary as he only received an expense remunerative of $25 a week.

Although storm clouds had been brewing Wright's resignation came unexpectedly when he informed Matz of his intentions at 4 p. m. Monday afternoon.

Dr. Poorman Graduates As First Lieutenant

Dr. Sturgis S. Poorman, son of Mrs. and Rev. John H. Poorman 221 Price av., Narberth, was graduated as First Lieutenant from the Medical Field Service School, Carlisle Barracks, Pa., last Saturday.

Lieutenant Poorman is a graduate of Lower Merion High School, class of 1933, and was a famous center on the basketball team. He is a graduate of Haverford College, where he still holds the high jump record. He was captain of the Haverford basketball team.

Following his graduation from the University of Pennsylvania Medical School in June of 1941, he served a year's interneship at the Reading Hospital.

Lieutenant Poorman enlisted in July and was sent to Carlisle Barracks, Pa. He is now stationed with the 12th Armored Division in Kentucky.

Buys In Penn Valley

Frank W. Cortright has sold to H. J. Guinn, a Colonial property at 609 Old Gulph rd., Penn Valley. The house contains ten rooms, and three baths, with a three-car garage, on a lot fronting on Old Gulph rd., and extending through to a frontage on Braeburn lane. The property was sold for $16,000.

Women Voters to Hold Institutes

Govt. Reorganization And Tax Problems To Be Discussed

Delaware County and Montgomery County Leagues of Women Voters will be hosts to members at institutes to be held at Wayne and Media on Tuesday, September 29, and at Norristown, September 30 Sessions will be held morning and afternoon.

The Wayne meeting will be held at the Wayne Hotel, Lancaster av., with Mrs. Thomas B. Harvey and Mrs. J. Hazen Hardy, Jr., in charge. Mrs. Harvey is chairman of the Department of Economic Welfare of the League of Women Voters, while Mrs. Hardy is president of the Haverford Township League of Women Voters.

"Tax Problems" and "Local Government Reorganization" will be discussed.

Like sessions will be held at Quakertown on September 30 for the Bucks County League of Women Voters, and the Allegheny County League of Women Voters will meet October 13 and 14, at Pittsburgh.

Cooperating with the League in the conduct of these meetings is the Pennsylvania State College extension services.

Narberth Burgess Addresses Rotary

Richard L. Miller, Burgess of Narberth, addressed the weekly luncheon meeting of the Bala-Cynwyd-Narberth Rotary Club at the Overbrook Golf Club on Tuesday.

The meeting was arranged by Richard Gillis, chairman of the Community Service committee of the club. Dr. F. Munro Purse, president of the club, presided at the meeting.

In dicussing borough governments, their organization and history, Burgess Miller pointed out that Narberth, incorporated in 1895, with an area of less than a square mile and approximately 5500 people, has a valuation of nearly five million dollars.

Several members of the Philadelphia Rotary Club were guests of the Bala-Cynwyd-Narberth group and following the luncheon had their annual golf outing at the Overbrook Golf Club.

Contest For Pictures Of Victory Gardens

A Victory Garden photographic contest has been announced by the Philadelphia County Victory Garden Committee. Pictures of Vegetable Gardens, Vegetable Gardens cultivated by a child, Flower Gardens or Fruits or Fruit Trees should be sent to Mrs. E. F. Rivinus, chairman, Victory Garden Committee, 16 South 15th st., Philadelphia.

Entries close September 15.

Red Cross to Start Refresher Course

An advanced First Aid and refresher course starting September 8 will open the Fall program of the Main Line Red Cross First Aid Department. The class, which will be held Tuesday evenings from 8 to 10, at the Wynnewood Park Apartments, will be instructed by Albert Turner.

Crucial Weekend Ahead For Loop Playoff Foes

There was little to choose among the four contenders when the semi-final playoffs in the Main Line Baseball League got underway two weeks ago and there still isn't any indication as to which two teams will fight it out in the final seven game series for the season's championship.

The Gladwyne-Manoa series is even up at one victory apiece and the Narberth-Collegians series is ditto, Manoa and Narberth having won over their respective rivals by identical scores of 3-2 last Sunday.

The all-important week-end is coming up, a week-end which may decide the two finalists. At least all four teams will be shooting the works in an effort to qualify as quickly as possible, rather than leave everything hinge on a fifth game.

The Manoa-Gladwyne series will be resumed at Gladwyne on Saturday and will shift to Manoa on Sunday. Both Narberth-Collegians games will be played at Narberth.

Gladwyne will pin its hopes on Bill O'Donnell, who already has pitched two fine games, in the crucial third game while the defending champions will send back the veteran Walt Cantwell, who squared the series for them last week. On Sunday Ray Presutti will twirl for the Key-Nels and either Bob Allison,

Men Over 50 Wanted For Rifle Squad

Active men over 50 years of age who are interested in rifle team work in connection with civilian defense are being sought by the Bryn Mawr Rifle Squad, a branch of the auxiliary police.

Those desiring to join the group may apply to Dr. J. Allyn Rogers, commander, 928 Haverford rd., Bryn Mawr.

Urges Civilians To Take Short Water Safety Course

The Senior Life Saving and Water Safety Course of the American Red Cross takes a minimum time of 17 hours, which seems now a small amount of time when it may mean the saving of one's own life as well as others perhaps.

A man's first aim upon being forced to abandon ship or being thrown into the water should be to get at least 50 yards away from the ship to avoid suction of the ship's final plunge. After this he must determine: 1. How long he is going to have to remain afloat. 2. What sea animals there are around. 3. How close his shipmates are. 4. What is floating nearby that can be used to hang on to. He should keep on light clothes. He should dive into the water from the windward side of the ship so that he can escape from the oil and fire. He should use the breast stroke with short arm pull.

Since 1915, when the first Life Saving Course was started by Commodore Longfellow, the American Red Cross has played a leading role in instruction in saving life in the water.

The present Life Saving and Water Safety course of the Red Cross is up to date and takes account of rescues in the water by any means that may be available. It is being taught all over the United States. The Main Line Branch sponsored a class which is now taking the course at the Mill Dam Club in St. Davids. Frank Holt, assistant director of First Aid, water safety, and accident prevention, has been active in the instruction of this class so that two instructors have been able to give the members more individual instruction.

Reasonably good swimming ability, such as swimming 440 yards, floating one minute, surface diving and treading water one minute is required for entrance to the course.

Narberth Youth Entering Bucknell

Robert H. Taylor, son of Mr. and Mrs. J. B. Taylor, Merwyn rd., Narberth, has been admitted to Bucknell University as a member of the freshman class.

Taylor, who was graduated from Lower Merion High School in June, plans to enroll in the biology course. While in high school he participated in several activities, including the school paper, the school annual, band, track, and tennis.

He is one of approximately 400 students who will report at Bucknell for the opening of Freshman Week on September 23.

EDITORIAL

War—Politics—and Time

We obtained permission from the author to republish below a letter to a Congressman. We think it eloquently speaks volumes in this perilous period, when time is so tragically precious and when so many vital things to be done are being left undone because they are being put off "until after election." The letter:

This letter is democracy at work. This letter represents what we are fighting for. This letter is the first I have ever written to you or to any government official.

For years I have sat back and watched selfish little individuals and pressure groups write, telegraph or travel to Washington to ask for favors.

For years I have wanted to write or ask you for just one favor—good, honest government for me and for all the people.

But I wondered what my one lone letter—just like my one lone vote—could do. So I didn't write. I didn't ask.

Now at long last I am stirred up—the cause is so vital that I am writing my first letter—asking my first favor. It is this:

You don't realize how much more willing I am to make sacrifices to win this war than you think I am, and that goes for millions of Americans like me who have yet to write their first letter. You underestimate us.

So get us straight.

Vote that $6,000,000,000 tax bill that doubles my income tax.

Withhold 5 per cent—10 per cent—of my savings next year.

Make War Savings Bonds compulsory. (I am already investing 11 per cent of my salary.)

Put a ceiling on wages and all prices.

Ration my gas—take my spare tire—take my car if you need it.

Ration my food—my clothes—my fuel. My great-grandfather got along on what I waste.

Help Leon Henderson—he's got hold of a tiger by the tail. Help him hold it or it will eat us all.

For once in your life, forget the folks back home. Vote a clear, firm "Yes" if it will win the war. Let that be your only test.

Do this and you won't have to worry about re-election for the duration.

This letter is democracy at work—a private citizen with no ax to grind—telling you not how to vote, but telling you how he feels so that you may [illegible] another, a job and a home, no long-negro [illegible] to express the way he'd like to go.

In return for your courage [illegible] United States. We will [illegible] the greatest material [illegible]. You vote [illegible] doing is this world can stop us.

With utter sincerity,
WILLARD V. MERRIHUE,
Scotia, N. Y.

CIVILIAN DEFENSE INFORMATION

ADDITIONAL INFORMATION ON SUGAR RATION STAMP No. 8

In answer to numerous inquiries from retail grocers as well as consumers, an explanatory statement regarding the value and term of validity for sugar ration stamp No. 8 has been issued as follows:

Stamp No. 8, which became valid August 23, may be used at any time up to and including October 31, and will be good for the purchase of five pounds of sugar during the ten-week period. Thus, the allowance of one-half pound per person per week is unchanged.

Extension of the term of validity of Stamp No. 8 to October 31, carries it through to the end of a calendar month, so that, if found desirable, future sugar ration periods may be set to coincide with the calendar month.

Another advantage is that the five pound stamp value will permit the disposition of stocks of five, ten, and twenty-five pound packages of sugar now in the hands of refiners, wholesalers, and retailers, relieving the latter group of the task of repackaging into smaller units which it had assumed since the beginning of sugar rationing.

Hang On To Your Gas Ration Book It's Not Easy To Get A New One

Motorists who lose their gasoline ration books face a difficult procedure if they seek to replace them, and for this reason were cautioned yesterday by A. B. Detwiler, chairman of the Montgomery County War Price and Rationing Board, to take extreme care against loss or theft of their books.

Mr. Detwiler issued a list of "Do's and Don'ts" for motorists regarding gasoline rationing, which follows:

DON'T keep you ration book in the glove compartment of your car.

DON'T under any consideration give or lend your ration book to anyone else to use.

DON'T take stamps out of your book to use in loose form, for this makes them void.

DON'T fail to sign your ration book.

DON'T attempt to use No. 2 stamps until September 22. Until that date only the No. 1 stamps are valid.

DON'T succumb to the notion that you can get replacement of your book on the false claim that it has been lost. This has been unsuccessfully attempted.

DON'T use gasoline obtained on B books for purposes other than those for which it was granted, because you cannot get an additional B book until after the expiration of at least three months.

DON'T use gasoline obtained on C books for purposes other than those for which it was granted, because you cannot get an additional C book until the date stated in your "tailored" C book.

DON'T buy a book offered to you as counterfeit or stolen, because when detected it will be valueless to you.

DON'T use up all your No. 1 stamps on A book now, because your No. 2 stamps are not valid until September 22.

DO guard your ration book as you guard your money.

DO study the date on your book.

DO make a separate record of the number of your book and other data.

DO keep a record of the number of stamps used. This is required in the event that you apply for replacement of lost or stolen books.

DO always hand book to filling station attendant and see him remove stamps.

DO get the name and address of anyone who offers to sell you a book and send it, anonymously if [illegible] Division, Transportation Board, [illegible] Station Building, [illegible]

DO [illegible]

OPA office.

DO drive slowly, park carefully and observe other simple rules for conserving gasoline and rubber.

DO share your car at every opportunity with neighbors and friends.

DO use public transportation systems wherever possible and reasonably convenient.

Detwiler said the importance of avoiding loss of books is emphasized in the complicated procedure required to get replacements. Applications for replacements must be made in writing, under oath or affirmation, and must set forth:

The name and address of the applicant.

The class, date and place of issuance and expiration date of such book or coupons.

A description of the motor vehicle, boat, equipment or process for which the book or coupons were issued.

A statement of the number and type of unused coupons so lost, destroyed or mutilated.

A description of the manner and circumstances of the loss, detruction or mutilation.

If the Board is satisfied that such book or coupons have been lost or destroyed, or so damagetd of mutilated as to be rendered unfit for use, it may, in its discretion, issue a duplicate book or duplicate bulk coupons of the same class and in the same quantity as those sought to be replaced; it shall clearly note on the cover of any duplicate book issued the same expiration date, if any, that appeared on the original book.

No person receiving a duplicate book or coupons under the above conditions shall use ,attempt to use, or permit the use of the original book or coupons, but shall surrender such original book or coupons, if damaged or mutilated, to the Board at the time of issuance of the duplicate book; in the event that a lost book or lost coupons are found after duplicates have been issued, such original book or coupons shall be surrendered to the Board forthwith.

MAXIMUM UTILIZATION OF GASOLINE DEPENDS ON CARBURETOR ADJUSTMENT

To get just the right mixture of gas and air which means efficient, economical operation of your car, it is necessary to have the carburetor adjusted properly. Our skilled mechanics will check and repair for you.

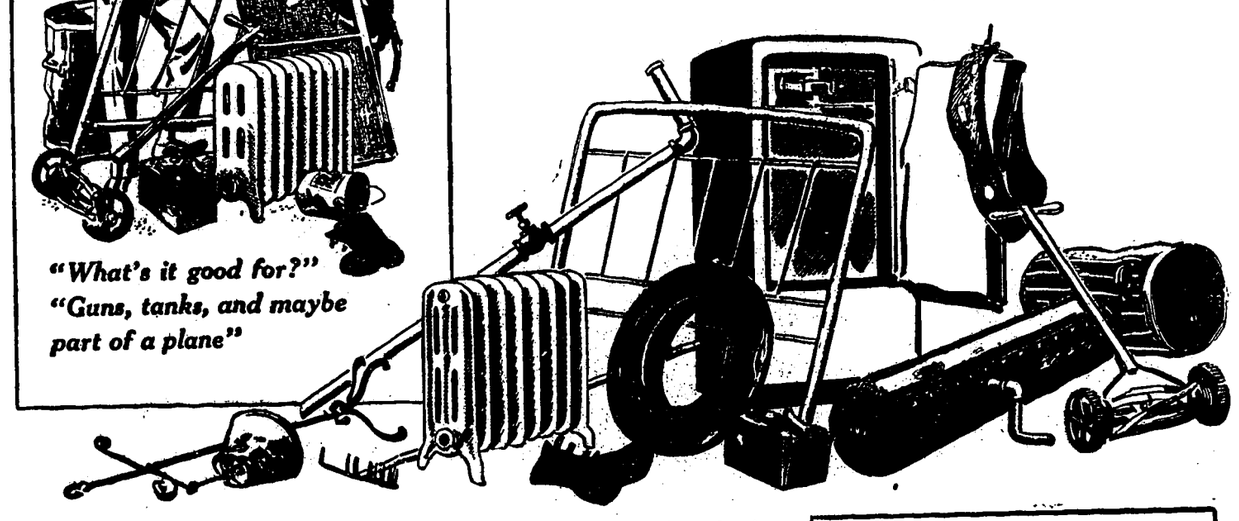
"What's it good for?"
"Guns, tanks, and maybe part of a plane"

JUNK needed for War



In the attics and cellars of homes, in garages, tool sheds, and on farms, is a lot of Junk which is doing no good where it is, but which is needed at once to help smash the Japs and Nazis.

Scrap iron and steel, for example. Old radiators, lengths of pipe, refrigerators, garbage pails, broken garden tools...

It may be rusty, old "scrap" to you, but it is actually ***refined*** steel, with most impurities removed—and can be quickly melted with new metal in the form of pig iron to produce highest quality steel for our war machines.

Even in peacetime our Nation relied on scrap to provide about 50% of the raw material for steel. Now production of steel has gone up, ***up***, UP, until today America is turning out as much steel as all the rest of the world combined.

But unless at least 6,000,000 additional tons of scrap steel is uncovered promptly, the full rate of production cannot be attained or increased; the necessary tanks, guns, and ships cannot be produced.

The rubber situation is also critical. In spite of the recent rubber drive, there is a continuing need for large quantities of scrap rubber. Also for other waste materials and metals like brass, copper, zinc, lead, and tin.

America needs your active assistance in rounding up these materials. The Junk which you collect is bought by industry from scrap dealers at established, government-controlled prices.

Will you help?

First—collect all your waste material and pile it up.

Then—sell it to a Junk dealer, give it to a charity, take it yourself to the nearest collection point, or get in touch with your Local Salvage Committee.

If you live on a farm, consult your County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!

JUNK MAKES FIGHTING WEAPONS

One old radiator will provide scrap steel needed for seventeen .30 calibre rifles.

One old lawn mower will help make six 3-inch shells.

One useless old tire will provide as much rubber as is used in 12 gas masks.

One old shovel will help make 4 hand grenades.

MATERIALS NEEDED

Scrap iron and steel.
Other metals of all kinds.
Old rubber.
Rags, Manila rope, burlap bags.
Waste Cooking Fats—Strain into a large tin can and when you get a pound or more, sell to your meat dealer.
NEEDED ONLY IN CERTAIN LOCALITIES: Waste paper and tin cans, as announced locally.
NOT NEEDED at this time: Razor blades—glass.

Miss Burt Sets October 24th As Wedding Date

Narberth Girl To Be Bride of Evan B. Byall In Fall Ceremony

The marriage of Miss Sarah Elizabeth Burt, daughter of Mr. and Mrs. John Burt, 151 Rockland rd., Narberth, and Mr. Evan Bruce Byall, son of Mr. James Bruce Byall, of Philadelphia, formerly of Penn Valley, will take place on October 24 at 4.30 p. m. in All Saints Church, Wynnewood.

The ceremony, which will be performed by the Rev. Gibson Bell, rector of the church, will be followed by a reception at Haverford Court Hotel, Haverford.

Mrs. Alexander Dean Burt, of Haddon Heights, N. J., sister-in-law of the bride, will be her matron of honor, and Miss Mildred Gilfillan, of Narberth, will be maid of honor.

The bridesmaids will be Miss Elsa Kerlin, of Philadelphia; Miss Mary Winston, of Germantown, and Miss Jean Byall, sister of the bridegroom.

The bride's brother, Mr. Alexander Dean Burt, will act as best man for Mr. Byall, and the ushers will include Messrs. Ellis Cooke, Germantown; Leonard Dennis, Germantown; Harold Zakeosian, Quakertown, and Norman Lehr, Philadelphia.

Miss Burt, who is a graduate of Lower Merion High School, attended the University of Pennsylvania and graduated from Jefferson Hospital as a medical technologist.

Mr. Byall is a graduate of the Montgomery Country Day School and the School of Education at the University of Pennsylvania.

High Schools Lengthen

(Continued from Page One)

quired by all is now an elective along with instrumental music.

The length of the periods in the high school will be 60 minutes instead of 45. The latter part of the period will be used for study and starting homework. This will increase the function of the teachers in guiding the pupil's study, and allow him consultation on problems which are likely to arise in the new assignment.

The vocational program which has been in operation for several years has been enlarged. Under the direction of Miss Jean Francis, vocational guidance counsellor, two members of the faculty will be assigned to each grade. Each teacher will have a group of about thirty children, and will follow through with them for the three years. (In addition each teacher will cooperate individually with the guidance program.)

An intensified health program is another important change. Everyone in the first year will be required to take a semester's course in physiology and hygiene. All students will have hour periods twice a week in health education. There will be a much wider program of intermural athletics, which should double the number of people participating in sports late in the afternoons. The field acreage has been increased to provide for this. In the fall there will be hockey and badminton for the girls, more soccer and [illegible] intermural football [illegible] boys. Intermural [illegible]lley ball will be [illegible] winter for both [illegible]s. Inter-scholastic sports [illegible]ued. Fewer people [illegible] "away" games, [illegible] will be no transportation by the school buses.

The history of Pennsylvania emphasizing the development of the Philadelphia area is a new elective course open to all grades.

In the commercial department bookkeeping is being offered to the tenth grade. Upon completion of this course, special tests will be given to the pupil to determine the type of commercial work for which he is best fitted.

The art and homemaking departments have expanded. There will be two new sections of homemaking to be elected by any junior or senior girl.

Dr. Beech will teach a class in harmony, a course that has been in the curriculum but was omitted last year.

The regular shop courses, electives for the pupils, will be continued, the same as previous years with Mr. Byerley in charge of woodwork, and Mr. Reinhardt in charge of drafting.

FIRESIDE

First Lieutenant James S. Weatherby, 203 Barrie rd., Narberth, will complete his Officers' Training Course at Miami Beach, Fla., this Saturday. Lieutenant Weatherby enlisted in the army six weeks ago, and was immediately sent to Miami Beach to be trained for the direction of administrative and supply operations. His new post will be at Mitchell Field, Long Island.

* * *

Miss Carol Walker, 225 Dudley av., Narberth, entertained at a dinner party and treasure hunt last Saturday evening.

Attending were Peggy Sparks, Barbara Millar, Priscilla Gibbs, Marilyn Mitchell, Loretta Lillis, Pat Cook, Laird Miner, Jack Wiley, Jack Durham, Dick Hagner, Fred Keebler, Ken Wilson, and Bud French.

* * *

Peggy Sparks, 733 Montgomery av., Narberth, and Eleanor Klapper, 727 Montgomery av., Narberth, will be at Ocean City, N. J., for the Labor Day week-end.

* * *

Mr. F. M. Robb, 215 Forrest av., Narberth, is spending the weekend at Hagerstown, Pa.

* * *

Mr. and Mrs. Joseph P. White, 113 Essex av., Narberth, returned home this week after spending ten days with their daughter, Mrs. Robert E. Baker, of Annville, Pa.

Mrs. Baker will spend this weekend with her parents.

* * *

Mrs. Eberhardt Mueller, 208 Essex av., Narberth, has as her guests for several days this week her brother and his wife, Mr. and Mrs. Norman Kurzenknabe, of Hagerstown, Md., who are on their way home after spending some time in New York.

* * *

Mrs. F. M. Robb, Jr., 131 Haverford av., Narberth, entertained at a party last Thursday in honor of Mrs. Winston Barrett, of California, who is visiting her parents, Mr. and Mrs. O. H. Voght, 916 Montgomery av., Narberth.

The guests included Mrs. Vincent Pardo, Mrs. Barrett's sister; Mrs. William M. Harris, Mrs. John C. Havelick, Mrs. William Weiss, Mrs. Thomas Johnston, Mrs. Harry E. Bennett, Mrs. Harry Berry, Mrs. E. N. Merkel and Mrs. Harry Kaftson, of Claymont, Delaware.

* * *

Mr. and Mrs. Arthur Staples and Miss Jean Staples, 124 Woodside av., Narberth, are vacationing in the Poconos.

* * *

Mr. and Mrs. Harry E. Bennett, 536 Dudley av., Narberth, left Tuesday for Bear Mountain Inn, N. Y.

Mr. and Mrs. Bennett had as their guests last week-end, Mr. and Mrs. P. Wales, of Harrisburg, Pa. Mrs. Wales, mother of Mrs. Bennett, is staying with the children while their parents are away.

* * *

Mr. and Mrs. Robert M. Cameron, 105 South Narberth av., Narberth, spent several days this week at Beach Haven, N. J.

* * *

Mr. and Mrs. R. G. Bennett, Lakeview Apts., Narberth, returned home this week from Belgrade Lakes, Maine.

* * *

Mrs. A. J. Purring, of Narberth, has returned from a ten day visit with her husband, Technical Sergeant A. J. Purring, who is stationed at Selfridge Field, Michigan, with the 6th Troop Carrier Squadron.

'Scrape for Scrap' Is Motto for New Township Junk Rally Sept. 15-30

Ralph Springer, Chairman of Committee, Asks Householders to Search Cellars and Garrets; Rubber and Tin Tubes Needed

"Scrape for Scrap" is a suggested motto for Lower Merion householders to keep in mind in anticipation of the coming Township-wide Junk Rally to be held September 15 to 30 by the salvage committee of the Lower Merion Council of Defense in cooperation with the Township Highway Department.

"We want every householder in Lower Merion to search cellars and attics and get out every available bit of salvage," says Ralph Springer, chairman of the Committee. "Then, let him exert just a little effort and put it outside the house for the regular collection. That's all he has to do."

But, if he does it earnestly and well, there should be a very worthwhile collection from Lower Merion to swell the 3,000,000-ton quota in Pennsylvania for scrap before the first of the year to keep our State's war production mills in full-time operation.

According to the State Salvage Committee, it has been advised that there are many collectors of collapsible tin tubes who are holding the tubes in hope of being able to sell them. The financial return would be very small to them, and if, as a patriotic gesture, they would give these tubes to the Government, a considerable amount of tin might be turned in.

In this connection, it is noted that junk dealers and similar operators are prohibited in dealing in used collapsible tubes. However, all collectors of tubes may send them, in lots of five pounds or more (transportation charges collect), to the Tin Salvage Institute, 411 Wilson av., Hillside, N. J.

Scrap rubber collected in the President's recent drive is now being moved to central receiving depots and to the rubber reclaiming plants at the rate of 200 cars every 24 hours.

This movement represents a shipment of 4,000 tons a day. Scrap rubber piles still seen in some places will be moved as soon as transportation facilities permit and plants can process them. Meanwhile, each pile, where it lies, is held in trust for the Government as part of the national Stockpile for Victory.

All rubber collected, as well as all other rubber, is subject to strict allocation by the War Production Board and is made available only for essential purposes.

Our rubber reclaiming plants consume scrap at the rate of one ton per minute.

With Lower Merion's quota for the collection of used household fats at 15,000 pounds a month, or about 4½ pounds a person per year, the fats drive is continuing in the Township. Local butchers are cooperating with the Salvage Committee by buying this waste, properly prepared in wide-mouthed metal containers, at a nominal rate per pound.

All other scrap materials of any salvage value are constantly being sorted at the Township incinerator and put into the regular salvage disposal channels.

CALLING THE TURN

Those fellows who have been telling you there have never been more evenly matched teams than the four contenders in the Main Line League playoffs weren't fooling.

We were impressed mainly by one fact after watching the playoff rivals in action the last two weekends — not one looks like a championship team.

Not that the four teams are lacking in ability. It's just that they seem to lack something. Usually you can recognize a potential champion at this stage of the game by the way it goes about its work by the attitude of the players, by their reaction when the breaks go against them and by the way they win or lose. But that undefinable something isn't there this year.

Perhaps it is due to the teams being so evenly matched. It's hard to say. Take Narberth for example. There's a club, on paper, that should be a cinch to walk away with the series. But there's a big difference between the team on paper and the one on the field. It just doesn't look any stronger than the others and, frankly, may be lucky to survive the preliminary playoffs.

We mentioned to Walter Hanley, league president, that the playoff rivals appear to lack something this year. He admitted he felt the same way and was just as puzzled as to the reason.

"Not only do the teams lack something but the crowds do likewise," he said while watching Sunday's battle at Manoa. "The crowds are getting larger each week and probably will be around normal when the final series gets underway But the fans seem to lack that wholehearted, do-or-die interest of other years. I'm just about convinced it's the war."

We believe he's right. After all, the most important thing these days is the winning of the war. It's difficult to get steamed up over something so unimportant as baseball. The fans probably enjoy the games as much as usual but can't get all worked up over them. It's a normal reaction of wartime, we suppose.

* * *

BURNS STEALS SHOW

Hero of the playoffs to date is quiet, chunky Johnny Burns, veteran Berwyn athlete who is the pitching mainstay of the scrappy Irvin Collegians.

Burns is one of those fellows who has been around a long time and who's supposed to have been finished long ago. Even at the peak of his career he was never given the credit that was his due. He's a tireless, uncomplaining worker, a team man if there ever was one, a chap who always gives his best no matter what the score or the position of his team in the league race.

He pitches a "dead ball" with a sidearm delivery. It comes up to the plate as big as the moon but it's difficult to hit it out of the infield. Opposing players claim he hasn't a thing but have an awful time proving it by the rather pitiful manner they swing at his offerings.

Using his taunt control and the cunning he's gained over the years, Burns turned in two of the best pitched games of his career the last two Sundays, beating Narberth, 3-2, and then losing to them, 3-2. He allowed Narberth just six hits in each contest, which is consistency with a capital C.

Burns' swell showing has captured the imagination of many fans and more than ever will be rooting for his success Saturday when he faces Narberth a third time. Should the young Collegians fight their way into the final playoffs it will be Burns, the old master, who showed the way.

* * *

JEWELS SPARKLE

HERE AND THERE—Congratulations to Bob Bailey's Jewels who won the Narberth Twilight League basketball title in a thrilling playoff with Chuck Viguers' team last Thursday...Two long field goals by Gene Davis, Jr., the former Penn football captain, decided the fray ...Ironically, Gene, Sr., was the sponsor of the Viguers team...A crowd of several hundred turned out for the finals and appeared to get a huge kick out of the games ...The turnout and the success of the league was just more proof of the Main Line's basketball mindedness.

SPECIAL MEETING OF PENN VALLEY CLUB

The Penn Valley Garden Club will hold a special meeting on September 9 at 10.30 a. m. at the home of Mrs. Spencer Roberts, Manor rd., Penn Valley, to discuss plans for the annual Fall Flower Show.

The Show will be held September 16 at All Saints Church Parish House, Wynnewood, from 3 to 9 p. m. It is open for entries from members only.

Allot State Aid to School Districts

Haverford Third in Delaware; L. Merion Leads Montgomery List

Two hundred ninety-seven second and third class school districts in 50 counties will share nearly $6,000,000 in regular semi-annual payments of State-aid due this month.

Largest single payment, $679,518, goes to Allegheny County. Luzerne County is second with $638,100, and Lackawanna third with $398,100.

School districts in Montgomery County will receive $247,399.79 and school districts in Delaware County $268,464.52.

In Montgomery County the Lower Merion district received the most with an allotment of $48,934.55. Narberth Borough School District which went from a fourth to a third class district this year will receive $3623.36.

In Delaware County the school district of Haverford Township will receive $29,194.36, which is the third highest amount alloted to any school district in that County.

Bucks Playhouse Extends Season

Instead of closing its summer season in the Bellevue-Stratford this week, as previously announced, the Bucks County Playhouse will continue in operation in Philadelphia through next week, with Ilka Chase in Rachel Crothers' "Susan and God," being held over for an extra week. The decision to extend Miss Chase's engagement was made by Theron Bamberger, director of the Playhouse, as the result of the large demand for tickets.

Thus, the season previously announced as of ten weeks' duration will encompass eleven week. Staats Cotsworth, former Philadelphian has the leading role opposite Miss Chase, while others in the cast are William David, Edmon Ryan, Madeleine Clive, Mildred Todd, Katherine Meskill, John Ireys, Donald Keyes, Virginia Davis and Patricia Kirkland, 17 year old daughter of Jack Kirkland, author of "Tobacco Road," and of the actress, Nancy Carroll, who is making her stage debut at the Playhouse. Paul Porter directed the production.

Crucial Weekend

(Continued from Page One)

eager to get revenge for the open-

(Continued on Page Four)

borough, and the veteran Johnny Burns, who has been pitching some of the finest ball of his career in this series for the Collegians. Young Bill Smith, who won three games for Narberth against nary a defeat during the regular season, and Jim Lattanza, burly South Philadelphia ace, will be the mound rivals on Sunday.

Gladwyne's hopes received a severe blow when George Myers, veteran second baseman, received a badly wrenched knee in a collision at second in the third inning of Sunday's game. It is feared he will be lost for the entire series.

Mike Michels replaced Myers at second and will probably hold down that position this week-end. His unfamiliarity with the position actually cost Gladwyne the game with Manoa on Sunday because he got in the way of shortstop DiGregorio and caused the latter to stumble and fall after he had fielded Cantwell's grounder over second perfectly in ing game setback, or Millard Robinson, back from a season with Rome in the Canadian-American League, will toss 'em up for Manoa.

The Narberth-Collegians series has developed into a grim duel between Stan Zetusky, pitcher for the the fifth inning. Henderson, who had singled and stolen second, easily scored what proved to be the winning run on the play.

In the fourth inning Manoa took a 2-1 lead on a home run by rugged Walt Kaminsky, who drove the ball to deep left field after Gwynn had singled.

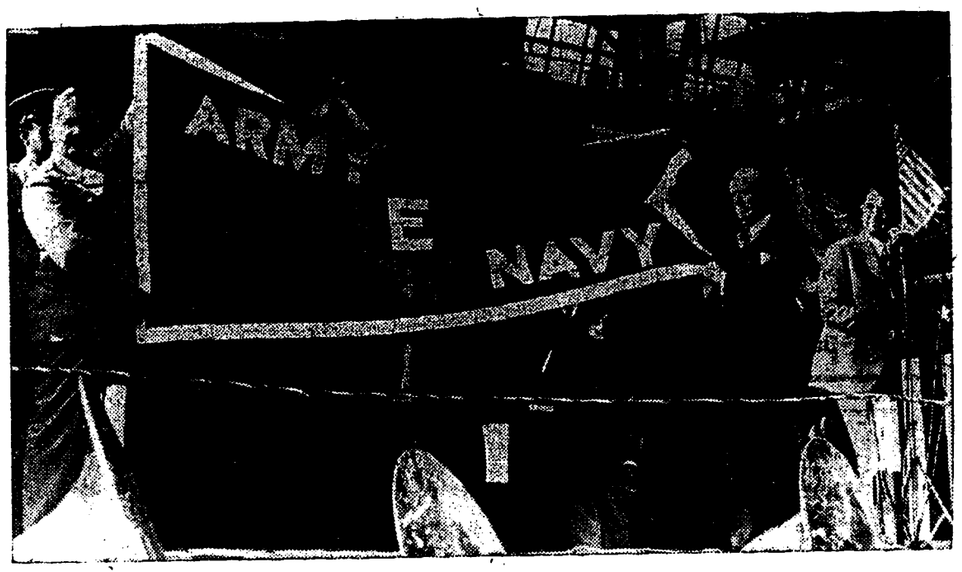
An error and singles by Vliet and O'Donnell gave Gladwyne a run in the second inning and a double by Shuckman, a single by Michel and an infield out accounted for the other marker in the seventh.

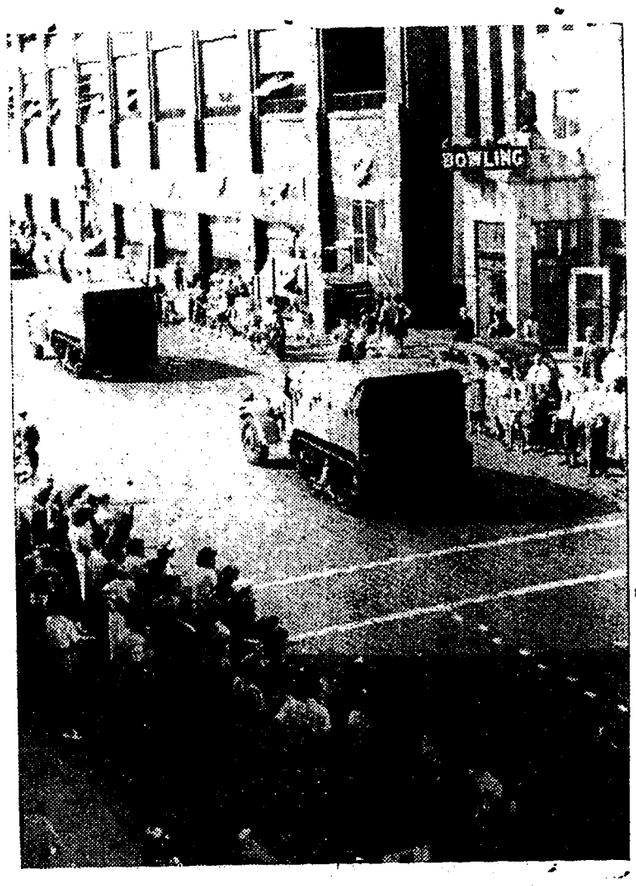
O'Donnell allowed Manoa only five hits while Gladwyne tagged Cantwell for eight. Jack Bartley, Gladwyne outfielder, with a double and single was the only player on either team to get two hits.

There wasn't much to choose between Zetusky and Burns in the other scrap, the former holding the Collegians to four hits and the latter permitting only six to Narberth.

Narberth won the game with a 3-run barrage in third inning. A double by Potts, a sacrifice, a walk and singles by Burns and Fox accounted for the markers.

The Collegians threw a scare into Narberth ranks by filling the bases with only one out in the eighth inning and one run already in, the result of a walk, a balk and a single by Budenz. However, the Irvinmen got only one additional run, a long fly by Carvello bringing in Budenz. A sensational diving catch of Lou Bonder's drive by Tyson snuffed out the rally just when it looked as if the Collegians might pull the game out of the fire.





(Top) Display of the Army-Navy "E" Penant brought a roar of approval from the 2500 Autocar workers and thousands of spectators who were present last Thursday afternoon for the military ceremonies held in Ardmore. On the left, holding the banner, that was won by Autocar because of its high production record, is Major General Charles T. Harris, Jr., Commanding General of the Aberdeen Proving Grounds, and on the other end of the banner, at the right, is Robert P. Page, president of Autocar.

(Lower) Ardmore turned out to witness a colorful parade and hear addresses of commendation when 2500 employes of Autocar received their Army-Navy "E" buttons. Some of this equipment is shown in the above picture just before the parade reached the plant in Ardmore where the awards were made.

Okay Sugar For Church Suppers

Civic, educational, charitable, benevolent, religious and social welfare organizations which serve meals infrequently are now eligible for sugar allotments under several conditions, A. B. Detwiler, Chairman of Montgomery War Price and Rationing Board, announced today.

Previously these organizations were permitted sugar only if they served four meals a week.

The new order now makes sugar available for such functions as church suppers and bake sales, which earlier could not qualify for sugar allotments, Detwiler said.

Conditions which must be met by these organizations to qualify for allotments are: 1. The meal service provides revenue for the organization; 2. The organizations are recognized in the community as permanent, or where newly organized, as likely to be permanent; 3. Meal service is consistent with the character and purpose of the organization; 4. Meals are available to non-members; 5. That such sugar will not be used in the preparation of alcoholic and non-alcoholic beverages, milk or milk drinks, ice cream, candy, cookies, crackers, popcorn, nuts, and prepared soda fountain mixes.

The latter items, Mr. Detwiler pointed out, may be served if they are purchased from an outside source but not prepared in connection with the meal.

St. Margarets Playoff

(Continued from Page One)

ing on yet if it hadn't been for a break.

Coradetti, a happy-go-lucky right-hander who isn't at his best unless he gets riled, was in top form against the Bryn Mawr club. And he had to be, for he ran into Joe Tobin when the stocky Good Counsel ace was also in rare form. For seven frames the two battled through a struggle which had the fans on edge, a battle which was kept even by sensational fielding exploits by members of both clubs.

Then in the eighth came the break which gave the Narberth clan its two tallies. The round opened very tamely as Jim Brennan skied to left field. But Tobin, whose control was a bother all afternoon, walked Albie Becker. Husky Hen Cantagalli waited for one he liked and when it came he sent the ball rocketing on a line to left. Joe McDermott eventually caught up to the ball but by that time Becker was rounding third. McDermott rifled the ball to third baseman Jim Foley, who made a perfect throw to the plate.

Club Board Meeting

The Junior Women's Community Club of Narberth will hold its first board meeting on September 11, at the home of the new president, Mrs John E. Flynn, 210 Essex av., Narberth.

Home Is Sold

Nash Realty Co. reports the sale of 334 Wister rd., Wynnewood, for the Chester County Trust Company to Mrs. M. Elizabeth Gibb Clark.

Ardmore Family Has Three Sons In Armed Forces

First Lieutenant Seymore L. Green, son of Mr. and Mrs. Morris M. Green, 39 Wyoming av., Ardmore, has been transferred from Fort Knox, Ky., to Fort Riley, Kansas, where he is in command of the Service Company of the 9th Armored Division. Lieutenant Green is a graduate of Haverford College and the University of Pennsylvania Law School.

A brother, Candidate Morris M. Green, Jr., formerly an instructor in the motors department at Fort Riley, is now at the Army Engineer Corps Officers' Candidate School, Fort Belvoir, Va. He is a graduate of Mercersburg, and the University of Pennsylvania.

N. Bleecken Green, younger brother who is a graduate of Friends Central School, class of 1941, is in the U. S. A. Air Forces, at Clearwater, Fla.

Keystone Reduces Insurance Rates

In recognition of decreased car mileage due to rationing, Keystone Automobile Club announces its insurance companies have reduced premiums 12½ per cent and authorizes an increase of 50 per cent in the refund to policyholders at the end of the year.

J. Maxwell Smith, President of the Club and insurance companies, made the following statement:

"We believe insurance rates should be cut to meet present-day conditions and have taken this action in behalf of our membership. The reduction in premium and increase in refund mean that motorists who, by reason of curtailment of their customary mileage, were contemplating the storage of cars may continue insured operation at a minimum of cost.

Joins Marines

F. THOMAS RUTTY

Rutty, nephew of Mr. and Mrs. Benjamin S. Haddock, 210 Sabine av., Narberth, enlisted in the U. S. Marine Corps on July 18 and is now undergoing training at a Marine Corps Recruit Depot. Rutty, who is 20, is a graduate of Lower Merion High School, class of 1941 and had been employed by the Philadelphia Electric Company prior to his enlistment.
